STYLE 10225 Massage Form

Back view of the 10225 Massage Form

Made with ABC's new Satin Skin this one of a kind breast form provides therapeutic massaging action to help stimulate lymph flow.

The back of this breakthrough breast form features channels of silicone gel that aid in the circulation of the lymphatic system and creates paths for air circulation, making this breast form cooler than other asymmetrics.

This asymmetric design also provides a secure fit for less shifting in the bra!

Fills in lateral deficits. Best worn with a supportive bra.

Colour: Blush

Average fit. Sizes 3 to 14

Right or left designated.

STYLE 10275 Triangle Massage Form

Color: Blush

Average fit. Sizes 1 -14

The Massage Form™ Super Soft is a great option for women who want the comfort of a massaging, cooling, hugging breast form in a triangular shape.

The unique channel design of this breast form is made to create optimal air circulation while also providing the needed amount of support. The luxurious Super Soft front provides a gentle drape that's like natural breast tissue.

STYLE 10243 Convex Back

This ABC breast form utilizes innovative technology to help women keep the fullness where they need it most. This is the perfect breast form for ladies who have had radical mastectomy surgery where the chest wall requires additional tissue replacement.

It also features the Advanced Breast Care brand new Satin Soft skin: the most luxurious skin in the industry!

Color: Blush
Average fit. Sizes 3-13.
