The new ABC Style 10243 Lightweight Triangle Convex

Available 1st February 2009

ABC 10243 Convex Lightweight Triangle Breast Form: This new ABC breast form utilizes innovative technology to help women keep the fullness where they need it most. This is the perfect breast form for ladies who have had radical mastectomy surgery where the chest wall requires additional tissue replacement. It also features the Advanced Breast Care brand new Satin Soft skin: the most luxurious skin in the industry! Color: Blush only. Average fit. Sizes 3-13

Asymmetric Styles

1021

The ultra-light is the lightest breast form on the Australian market. 50% lighter than standard silicone and 30% lighter than lightweight. Ultra light needs to be held to be believed.

Sizes 2 to 12 left and 2 to 12 right

1022

The lightweight single-layer silicone in these forms is easy to wear adding fullness under the arm, it fits nicely into delicate undergarments and puts less strain on the back and shoulders. In spite of it's lightness, they have a natural feel that even passes the hug test. Sizes 1-10 Left and 1-10 Right.

930 Swimform

This silicone breast form fits in all types of swimsuits and flatters all figures. The single layer, firm silicone retains its shape, even in the water.

Sizes: 2 to 10

Triangle Styles

1041

The ultra-light is the lightest breast form on the Australian market. 50% lighter than standard silicone and 30% lighter than lightweight. Ultra light needs to be held to be believed. Sizes 1-16

1042

The lightweight silicone in these forms is easy to wear, fitting nicely into delicate undergarments and putting less strain on the back and shoulders. In spite of their lightness, they have a natural feel that even passes the hug test. Sizes 1-16

1044

Our standard weight silicone duplicates the look, feel and movement of a natural breast. Its anatomically correct weight provides balance and helps maintain a healthy posture, while the gentle curvature of the back creates a natural, comfortable fit. Sizes 1-16

Partial Breast Form

1112

The lightweight silicone of this shaper softly shapes to the breast as needed. One edge of the elliptical shape is a thick wedge that can fill in deficits, while the other edge is thin and tapered to provide an invisible transition.

Sizes: 2, 4, 6, 8

1131

This partial breast form shaper is shaped to perform liked the Modified Triangle, but with more thickness at the apex. Use it to achieve symmetry after reconstruction, lumpectomy or for natural balancing needs.

Sizes: S, M, L, XL

Bra Styles
